Fastenex is Russia's only international B2B exhibition dedicated exclusively to fasteners and industrial supply

The event connects manufacturers and suppliers with thousands of company representatives responsible for procuring fittings, fasteners, and other fixing products for their organisations.

Held alongside Weldex, the largest welding materials and technologies exhibition in Russia, Fastenex offers a comprehensive ecosystem to explore related industries and expand your reach

Build strong business relationships

Showcase your products and innovations

Engage with key decision-makers in the fastener and industrial supply industries

Take advantage of **Fastenex Connect** today and unlock opportunities that drive growth - all year round.

Why Exhibit at Fastenex?

Access a Highly Engaged Audience

With 5,061 visitors attending the show, Fastenex provides direct access to a specialized audience actively seeking fasteners, industrial supplies, and equipment.

Enter the High-Potential Russian Market

Russia is one of the largest markets in the world with high buying potential. Fastenex is your gateway to this lucrative market and the wider CIS region, helping you expand sales and establish your brand presence.

Build Connections with Decision-Makers

Most visitors to the exhibition are key decision-makers from manufacturing, construction, and industrial sectors, providing unmatched opportunities to secure partnerships and sales.

Benefit from Co-location with Weldex

Running simultaneously with Weldex – the 24th International Exhibition for Welding Materials, Equipment, and Technologies, Fastenex doubles your exposure to thousands of additional industry professionals.

The logo for Weldex, featuring the word "weldex" in a lowercase, sans-serif font. Above the letter "e", there is a stylized graphic of a lightning bolt or a weld spark.

Showcase Your Range to a Targeted Audience

Whether it's industrial fasteners, construction fasteners, furniture fasteners, or fastener manufacturing equipment, the show enables you to present your products to a specialized audience ready to engage with and purchase cutting-edge solutions.

The Conference

Unlock invaluable insights and network with key decision-makers at Fastnexus 2025's comprehensive conference program. The event features over 50 sessions, including panels, workshops, and expert discussions, 560 delegates and 30+ hours of learning

"We are very pleased with our participation in Fastnexus. The event enabled us to establish valuable new contacts, and several customers we met are now actively considering purchasing our equipment."
