FASTENEX

ABOUT FASTENEX

Fastenex is a unique International B2B exhibition for manufacturers, wholesale companies, distributors and suppliers of fasteners and industrial supply. The exhibition takes place simultaneously and at the same venue with Weldex, the largest exhibition of welding materials, equipment and technologies in Russia in terms of the number of exhibitors and visitors.

The new and, at the same time, promising exhibition Fastenex was held for the first time in 2023 and brought together several thousand specialists and the largest suppliers of the hardware market at one venue.

weldex

Fastenex runs co-located with Weldex – International exhibition of welding materials, equipment and technologies.
